

HEALTHCARE AND WELFARE IN A UNIQUE PURE AIR SPACE

BUBBLE
PURE AIR

BUBBLE | PURE AIR

Bubble | Pure Air is the first **mobile space** where it is possible to **breathe** constantly regenerated **99.995% pure air, free from contaminating particulate** and bacteriological and allergenic agents, and with **gaseous pollutants reduced to acceptable levels of comfort**.

This **mobile and easily to assembled** space exceeds the most stringent criteria recommended by the WHO in terms of particulate filtration. Furthermore, it offers the **highest guarantee against virus stratification**. This has led to **ISO 6** certification, thus making it an ideal space for **clean room applications**.
